Attn: PCT Legal Office

OFFICE OF PETITIONS
DEPUTY A/C PATENTS

Sir:

Applicants renew their petition in response to the *Decision on Petition Under 37 C.F.R. § 1.181* dated August 14, 2001 (copy attached), denying the *Request for Withdrawal of Abandonment* filed on March 8, 2001. The grounds for the renewed petition are as follows.

Submitted with the REQUEST FOR WITHDRAWAL OF ABANDONMENT on March 8, 2001 were (1) a copy of all papers as filed on June 30, 2000, together with (2) a copy of the stamped PTO Mailroom receipt. However, the copy of the mailroom receipt was partially obliterated by the copy of the check submitted, and this blocked out the USPTO Mailtoom stamp clearly showing the documents referred to on the receipt were indeed filed on June 30, 2000.

It is further noted that the assignment referred to on the receipt, filed simulataneously with the declaration, was recorded with a recordation date of June 30, 2000, as evidenced from

Response to Decision on Petition Under 37 CFR 1.181
USSN 09/529,773

copies of Form PTO-1595 and the Notice of Recordation of Assignment Document submitted
herewith.

In view of the above it is respectfully submitted that the application should not have been
abandoned and the Assistant Commissioner is petitioned to withdraw the holding of
abandonment.

Respectfully submitted,

David J. Cushing

DECISION ON PETITION

UNDER 37 CFR 1.181

RECEIVED

SEP 14 2001

OFFICE OF PETITIONS
DEPUTY A/C PATENTS

In re Application of
AGARWAL et al.
Application No.: 09/529,773
PCT No.: PCT/US98/21632
Int. Filing Date: 20 October 1998
Priority Date: 20 October 1997
Attorney Docket No.: A7046
For: A METHOD FOR UPLINK POWER
CONTROL FOR DISTRIBUTED SATELLITE
NETWORKS TO COMPENSATE FOR
RAIN FADE

This is a decision on applicants' "Request for Withdrawal of Abandonment" filed on 08 March 2001 in the United States Patent and Trademark Office (USPTO) in the above referenced application and treated as a petition under 37 CFR 1.181. No petition fee is required. This is also in response to applicants' status inquiry filed on 28 June 2001.

BACKGROUND

On 30 May 2000, a Notification of Missing Requirements (Form PCT/DO/EO/905) was mailed to applicants indicating that an oath or declaration in compliance with 37 CFR 1.497(a) and (b) and the surcharge for filing the oath or declaration after the thirty month period were required.

On 23 February 2001, a Notification of Abandonment (Form PCT/DO/EO/909) was mailed to applicants indicating that applicants had failed to respond to said Notification of Missing Requirements.

On 08 March 2001, applicants submitted the instant petition treated as a petition under 37 CFR 1.181 with a copy of an itemized receipt and a copy of the declaration and assignment allegedly deposited on 30 June 2000.

DISCUSSION

A review of the USPTO application file reveals that said declaration is not contained therein. To prove the timely filing of the declaration in response to the Notification of Missing Requirements, counsel provided an itemized receipt in the form of a transmittal letter, bearing a date-stamp "Filed JUN 30 2000". The letter indicates the submission of a declaration for 09/529,773. However, the date stamp on the itemized receipt does not conform with a USPTO date-stamp and appears to be a date-stamp affixed by the law firm to indicate the papers were filed.

The evidence submitted is insufficient to establish that the declaration for this application was received in the USPTO on 30 June 2000. Accordingly, it is inappropriate to accept the copy of the declaration as a replacement for the missing original declaration with a deposit date of 30 June 2000.

CONCLUSION

For the reasons stated above, the petition under 37 CFR 1.181 is **DISMISSED WITHOUT PREJUDICE**.

The application remains **ABANDONED**.

Any reconsideration on the merits of this petition should be entitled "Renewed Petition under 37 CFR 1.181".

Any further correspondence with respect to this matter should be addressed to the Assistant Commissioner for Patents, Box PCT, Washington, D.C. 20231, with the contents of the letter marked to the attention of the PCT Legal Office.

Assignment

Whereas, We, Anil K. AGARWAL of Gaithersburg, MD and Moorthy N. HARIHARAN of Germantown, MD, respectively, hereinafter called assignor(s), have invented certain improvements in A METHOD FOR UPLINK POWER CONTROL FOR DISTRIBUTED SATELLITE NETWORKS TO COMPENSATE FOR RAIN FADE and executed an application for Letters Patent of the United States of America therefor on June 20, 2000; and

Whereas,

COMSAT CORPORATION
6560 Rock Spring Drive
Bethesda, MD 20817

(assignee), desires to acquire the entire right, title, and interest in the application and invention, and to any United States patents to be obtained therefor;

Now therefore, for valuable consideration, receipt whereof is hereby acknowledged,

I/We, the above named assignor(s), hereby sell, assign and transfer to the above named assignee, its successors and assigns, the entire right, title and interest in the application and the invention disclosed therein for the United States of America and all countries foreign thereto, including rights of priority under the International Convention of Paris (1883) as amended, and I/we request the Commissioner of Patents to issue any Letters Patent granted upon the invention set forth in the application to the assignee, its successors and assigns; and I/we hereby agree that the assignee may apply for foreign Letters Patent on the invention and I/we will execute without further consideration all papers deemed necessary by the assignee in connection with the United States and foreign applications when called upon to do so by the assignee.

I/We hereby authorize and request our attorneys SUGHRUE, MION, ZINN, MACPEAK & SEAS of 2100 Pennsylvania Avenue, NW, Washington, DC 20037-3212 to insert here in parentheses (Application number 09/529,773, filed April 20, 2000) the filing date and application number of said application when known.
